

Jenni Borg, WTS London Treasurer

Senior Manager , Detica

Jenni is a well-respected business and management consultant, working particularly within the transport sector . She began her career in the civil service, and worked at the Department for Transport for many years in a number of roles, including running a private office and managing the Department's central Financial Division. In 2004 Jenni joined PricewaterhouseCoopers to develop its work in the transport sector.

She lead the delivery of a number of transport projects, including one setting up a global Transport Knowledge Partnership, and latterly co-ordinated the UK transport account team. In April 2008 she joined Detica, an information intelligence consultancy, in order to develop its work in the transport sector and currently manages a number of projects mainly with the Department for Transport and its agencies.

Jenni has a longstanding interest in diversity and equality issues and is an enthusiastic supporter of WTS. She joined the WTS Board in 2007 as Treasurer, and is supporting our continuing success by focusing on growth and increasing financial self-sufficiency."
