

*Advancing Women in Transportation*

LONDON

# Help us to grow WTS London membership and you could win £50 worth of vouchers.

You may know colleagues and friends who could benefit from WTS membership. If every member introduced just one member, we could grow the organisation in a way that would bring benefits to all, strengthening our ability to influence the transport agenda and providing more opportunities for professional development as well as networking opportunities.

## **Refer as many as you want**

You can of course refer as many new members as you wish. We'll be delighted to welcome them to WTS.

## **What do I need to do?**

All you need to do is refer your colleagues and friends to WTS membership either online or by application form and ask them to state your name when asked if they were referred by a member.

Once we have received payment for their membership your name will go forward for a quarterly prize draw. The winner of the prize draw will receive gift vouchers to the value of £50.

To make it easier for you we have summarised overleaf some of the benefits of joining WTS London which you can tell your colleagues about.
